# FORUM™ COLLABORATION SUITE

## Why We Love It

- Collaborate in style with flexible free-standing or floor-to-wall mounted options, great for both open floor plans or more traditional meeting spaces
- Contemporary design with the right amount of absorbing acoustic fabric to keep noise levels and audio reverberation to a minimum for an unmatched audio experience
- Angle and arc table options ensure all meeting attendees are centered around a conferencing camera system, with great viewing angles from any seat in the room
- Storage for AV gear is easy to access for installation and service
