

Galaxy XCover6 Pro

Do more with confidence.

A rugged device designed to empower your frontline.

Ready for anything.

Designed with frontline and field workers in mind, the XCover6 Pro empowers your team to get tough jobs done quickly and easily. Be more productive with less hassle by simplifying your employees' workflows, keeping them happy and successful. Plus, the XCover6 Pro protects your company's data and your team-members' privacy.

Ready for Anything

A powerful combination of durable design built to military standards of toughness, ultra-fast connectivity (5G/Wi-Fi 6E), efficient and an all-weather touchscreen gives you the confidence to work – and win – in any environment.

Versatility to do more with less

Whatever your business needs, the XCover6 Pro has you covered. With Microsoft Office integration, programmable keys for PTT, Samsung DeX, and mPOS/barcode scanning capability, now you can do more on a single device than you ever thought possible.

Complete Peace of Mind

Protect your investment and your data with Samsung's enterprise security and mobility management. Save money with a two-year product life cycle with five-years of updates. Rest easy know your company's data is protected by Samsung Knox security features built right in to the device. Separate your personal and work uses with Work Profile Manageability, and make it easier than ever to offer a CYOD program.
