

YOUR WHEREVER WORKSPACE

EXPAND THE POSSIBILITIES THE EDUCATOR

Your Wherever Workspace™ helps IT procure and deploy essential technology with customizable, best-of-breed hardware, software, and services bundles. Our industry experts help mitigate supply shortages with a vast selection of vendor options to ensure customers get what they need to empower on-site, hybrid, and remote users for success.

Elasticity is key in education. Keep everyone on track with technology that is just as flexible.

The Teacher

Not every class is the same. Nor is every educator. Make creating the right match easier with the correct combination of PCs, peripherals, and more.
