

Transform Your Organization with Microsoft 365

Connect and empower every employee, from the office to the frontline worker, with a Microsoft 365 solution that enhances productivity and drives innovation.

Microsoft is already your one-stop shop for productivity software, but now they have made getting the right apps and features for your users even easier. With a 3-in-1 subscription, you get access to Office applications, Windows 10 updates, and an enterprise and mobility suite to secure your users with multi-factor authentication, encryption, and more. There is a Microsoft 365 suite ideally suited to every type of remote or hybrid worker at any level and every company

Licensing Microsoft 365: The Modern Workplace

Microsoft 365 is the productivity cloud that brings together best-in-class Office apps with powerful cloud services, device management, and advanced security. All Microsoft 365 plans are licensed with a single User Subscription License assigned to an individual user.

Cover all your bases in the modern workplace with a Microsoft 365 subscription, which allows you to:

- Streamline costs
- Deliver secure mobility and data protection
- Increase productivity, while decreasing time spent managing users

With Microsoft 365, you get:

Office Suite

- Exchange, Teams, SharePoint, OneDrive, and the original Office apps

Windows 10 subscriptions

- Upgrade from Windows 7
- Virtualization use rights for access to Windows 10 Enterprise virtual machines for any device (good for up to 5 devices)
- Windows Defender Advanced Threat Protection for added security

EMS Suite

- Discover, classify, and protect documents and emails by applying labels to content
- Meet your demanding identity and access management needs
- Manage devices and critical business systematics
- Intune and Azure Active Directory Premium
