

Professional

SOUND CAPTURE & REINFORCEMENT

PROFESSIONAL DISPLAY SOLUTIONS

Sony has been making sound sensational for over 70 years. Trusted by broadcasters, recording artists, and sound engineers, our microphone systems, headphones, digital recorders and amps offer exceptional sound quality plus stable, reliable operation.

We leverage this expertise to provide exceptional audio solutions for the AV market for hands-free operation and crystal-clear sound in meeting rooms, classrooms, and auditoriums.

Designed for rich, powerful sound in large display solutions, our powered **Line-Array Speaker** delivers spectacular sound with fine beam control and flexible installation.

Our innovative **Beamforming Ceiling Microphone Array System** intelligently reduces noise and feedback for crystal-clear audio quality in corporate and education settings.
