

# WORKING TOWARDS A HEALTHIER FUTURE

Belkin Business is proud to provide solutions for healthcare environments—from keeping office spaces connected for improved communication, to providing on-site charging for patients waiting to see medical professionals.

**76%**  
of Clinical Mobility Investments set to increase by 2022\*

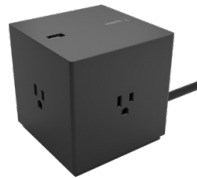

## POWER FOR EVERYONE

Offer patients the ability to **recharge in waiting rooms** and keep staff members online with **charging solutions for collaborative work spaces**.

Applications: Physician Offices, Conference Rooms and Board Room A/V Systems, Hospital/Doctor Office Waiting Rooms and Lobbies, Patient Waiting Rooms, Collaborative Work Spaces, Break Rooms

**BOOST↑UP™**  
Wireless Charging Spot  
B2B170

**BOOST↑CHARGE™**  
8-Port Charging Station  
B2B167

## HEALTHCARE FOR YOUR TECH

Protect valuable equipment with **surge protection to deliver power safely** to laptops, tablets and smaller mobile devices.

Applications: Dental Offices, Medical Facility Offices, Office Work Space

**Secure and Charge**  
B2B117

**Store and Charge Go**  
Fixed Dividers  
B2B141

## STREAMLINE YOUR AUDIO/VIDEO

Save time, money, and raised blood pressure with **the right adapter to bring your content to life**.

Applications: Conference rooms, Training Rooms, Auditoriums, Hospital Front Desk Requiring Connectivity/Power, Doctors' Office Front Desk Equipment

**Digital Multiport to HDMI® AV Adapter**  
B2B169 / B2B166
