CONTINUALLY IMPROVING COLLABORATION

WITH HP PRESENCE SERVICES

HP Presence services and hardware work together to create a collaboration experience that optimizes your space and use preferences.

HP PRESENCE MANAGER[1]
Real-time analytics

Know when something is wrong in the room via proactive monitoring and alerting of device health issues and updates with HP Presence Manager. HP Presence devices report their health status directly to the collaboration portal so you can resolve issues quickly.[1]
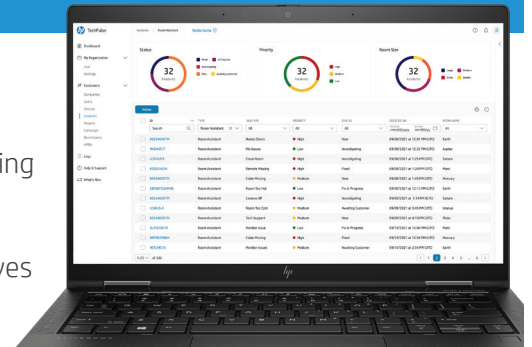

🏆 **WORLD'S MOST advanced conferencing service[1]**

HP PRESENCE INSIGHTS[2]
Intelligent, actionable insights

Get better visibility into the user experience and utilization of your conferencing spaces with optional HP Presence Insights that intelligently predicts room & product issues before they become problems. HP Room Assistant is included and allows users to self-report common meeting room issues, while IT receives alerts and can manage everything from a single dashboard.[2]

HP PRESENCE CUSTOMER SUCCESS MANAGER[10]
Get the most out of your investment

Take the complexity out of tying all of your HP Presence solutions together by working with a dedicated Customer Success Manager who will provide assistance during onboarding and through renewal of your agreements to help you achieve your goals.

HP PRESENCE EXCHANGE[11]
Replace devices quickly

If HP Presence components malfunction, simply contact HP and you will receive a replacement device with a pre-paid return label to send back the malfunctioning component.
