

The best of Google AI with **Chromebook Plus**

Chromebook Plus is powerful,
affordable, and helps your teams do
more with Google AI built in

Tools to enhance team productivity

With **2X** the power, speed, memory, and storage, and built-in AI features to enhance creativity and collaboration, your people are empowered to do their best work.¹

Work effectively, online or offline

No WiFi, no problem with **File Sync**. Available with Chromebook Plus, File Sync **automatically syncs** files to File Manager, so Google Docs, Sheets, and Slides are always accessible—**even when offline**.

Get more done with less cost

With devices that have a **245% ROI** over three years and are lightweight, portable, and secure—with long battery life—your people can work from anywhere and you could **reduce your total cost of ownership**.²

Built-in, not bolted-on, security

With devices that have never had a virus and **NO reported ransomware attacks**,* your data is secure. Plus our devices deliver **24%** fewer security attacks and a **29%** efficiency gain for IT security teams.² In fact, ChromeOS is the most secure OS out of the box contrasted with macOS and Windows 11.³
